**WHAT IS WRONG WITH THIS PICTURE?  
COME & JOIN US FOR THE ANSWERS.**

The Massachusetts Consultation Program is offering a **free** half-day occupational safety seminar designed to help employers with recognition and control of industrial safety hazards, and achieve compliance with OSHA regulations. The seminars also are designed to assist employers in developing an effective safety and health program. Topics presented at this training seminar include:

- \***Machine Guarding**
- \***Fire Safety**
- \***Fall Hazards**
- \***Materials Handling**
- \***Personal Protective Equipment**
- \***General Safety**
- \***Ladder Safety**
- \***Welding Safety**
- \***Hazard Communication**
- \***Flammable/Combustible Liquids**
- \***Portable Tools**
- \***Safety and Health Program Management**

Each attendee will receive a free safety and health manual.  
Space is limited so please register early. Questions? Call (617)969-7177.
